March 2010

DocuWare Diamond Club Partner plaque 2010

Dear Diamond Club Member,

We congratulate you and your esteemed company as a member in our Diamond Club 2010!

Through your dedication to providing DocuWare Integrated Document Management solutions, you are now among the top most successful Partners in the America's region for 2010; an elite status held by only 17 other DocuWare ADPs.

We are very pleased to provide you with the 2010 DocuWare Diamond Club Partner plaque.

This plaque distinguishes you as an Authorized DocuWare Diamond Club Partner. Membership in the Diamond Club entitles you to use the prestigious 2010 Diamond Club logo, which we have already sent via e-mail. By placing this logo on your website, as well as on advertisements, letterhead, business cards, etc., you will be signalling to the world your position as a DocuWare Top Seller.

We encourage you to prominently display this plaque for the world to see – you have earned this distinction, along with the right to show your customers how unique you are compared to the competition.

Thank you for your continued support.

With kind regards,

A handwritten signature in black ink, appearing to read "Greg Schloemer". The signature is fluid and cursive.

Greg Schloemer
President
